

## BOIL WATER ADVISORY CANCELLATION

On Sunday, May 22, a precautionary boil water advisory was issued for residents that lost water service in the vicinity of a main line break on McKinley Avenue between Trabue Road and West Fifth Avenue and the following side streets:

- Scioto Station Drive
- Quarry Lake Drive
- Quarry Quest Drive
- Quarry Trace
- Quarry Point
- Quarry Valley Road
- Quarry View

After sampling and testing the water from this area, no contamination has been found. **The boil water advisory is now cancelled** and is no longer necessary. If customers have questions, they should call 311, 645-3111 or visit [www.utilities.columbus.gov](http://www.utilities.columbus.gov).
